

AGREEMENT

I agree to comply with rules and sailing instructions governing this Southern Crossing Race.

For myself and my heirs, I wave all claims, release and hold harmless WYC Inc., management, officers, agents and committee persons from any liability for any personal injury to myself or my crew and/or any property damage arising out of or related to the race or the use of WYC facilities, including claims for negligence or attorney fees.

I acknowledge that I am entering this race at my own risk, and it is my sole responsibility to decide whether or not to start or to continue racing.

I own or chartered the yacht entered and I am member of a Yacht club sanctioned by USSAIL.

By signing below, I represent that I have carefully read, understand and agree to the foregoing terms.
