

March 2018

Hello Windjammers,

We have a new club house! The club house is located at the corner of Tahoe Keys Boulevard and Venice Drive, in the Tahoe Keys Village business complex. We are in Suite E2, first floor, to the right of Coldwell Select.

The space is slightly smaller but with better amenities. The amenities include but not limited to ground floor location, kitchenette, and janitorial services for the restrooms. The best part is that we were able to negotiate a boat slip for our upcoming Juniors Sailing Program for the 2018 season.

The reason for this expedited move was due to our marina lease being up for renewal at the end of March. Due to ongoing maintenance/building issues, we felt it was in the best interest of both clubs to relocate. Both boards voted unanimously to proceed. We have a lease and a storage unit and have completely vacated the marina club house.

First event in our new club house is the Chowder Feed scheduled for Saturday, April 7<sup>th</sup> at 6:00 pm. The street address is 589 Tahoe Keys Boulevard, Suite E2. As a courtesy to our Vice Commodore, please RSVP by Monday, April 2<sup>nd</sup>!

See you all at the new club house,

David Young
